03 Click "Glenn Thorley"

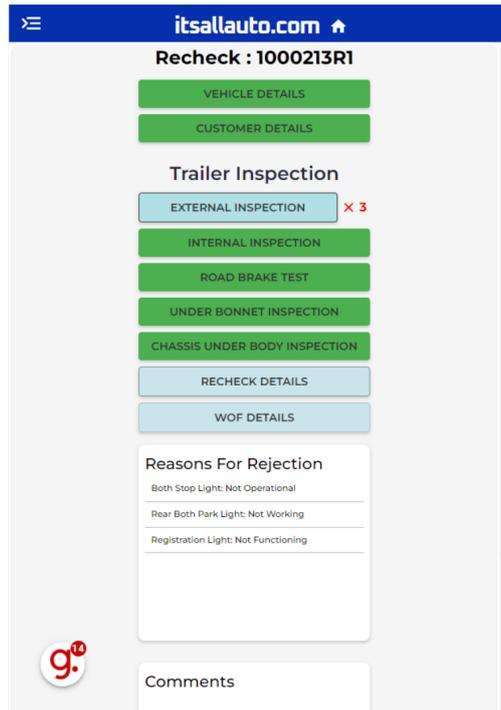

Select the Warrant of Fitness Recheck you desire either by searching for the Rego number in the search box at the top of the screen. Or tap on the Warrant of Fitness you want from the list shown. Tapping on the Warrant of Fitness Recheck will automatically begin the recheck.

04 Click "External Inspection"

Now that the recheck has been started you can see all the sections in green that are already marked complete with no failures. Nothing will need to be done with these sections.

For sections that have failure items you will see a red x next to it, showing it has failed items. In this example you will see that the external inspection has the red x next to it, showing it has failed items

05 Click "External Inspection"

Open a section that has the failed items by tapping on it.

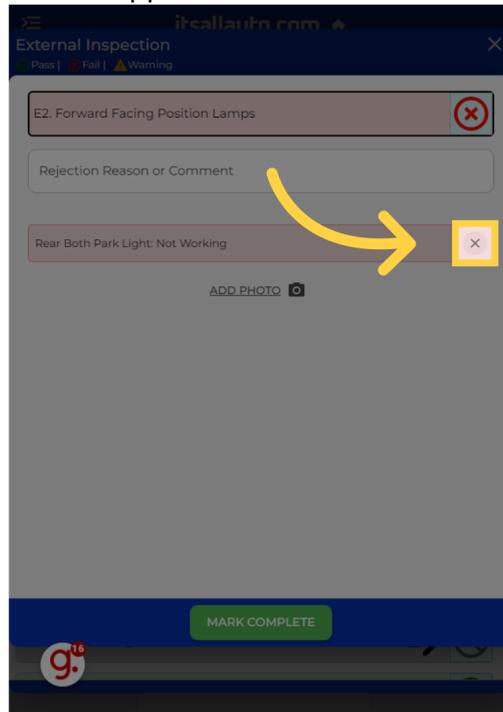

06 Click "E2. Forward Facing Position Lamps"

You can then open an item that has failed for this section.

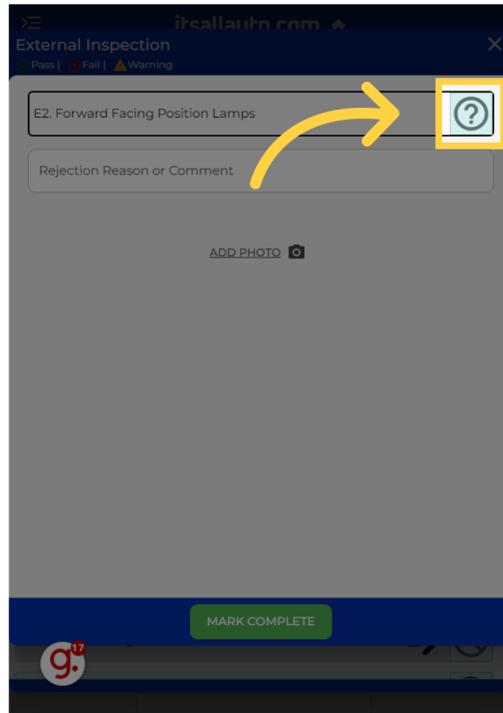

07 Click here

If the item has now passed you can remove the reason for rejection by clicking the cross on the right hand side. The item will now disappear.

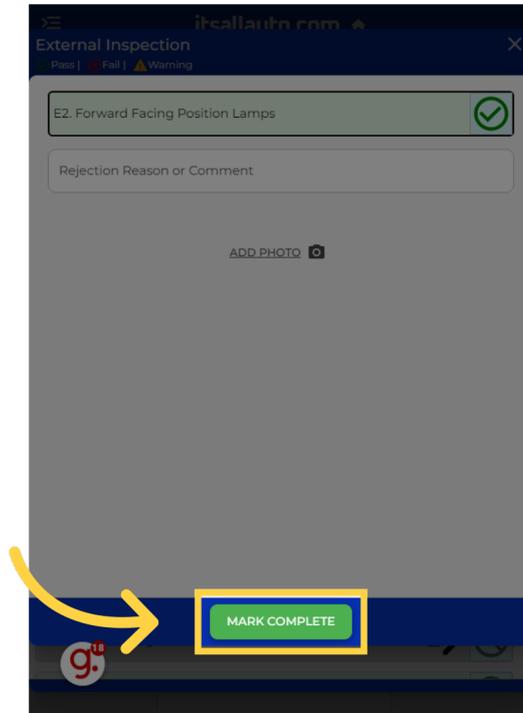

08 Click here

You can now pass this item by tapping on the box shown until you get the green tick.

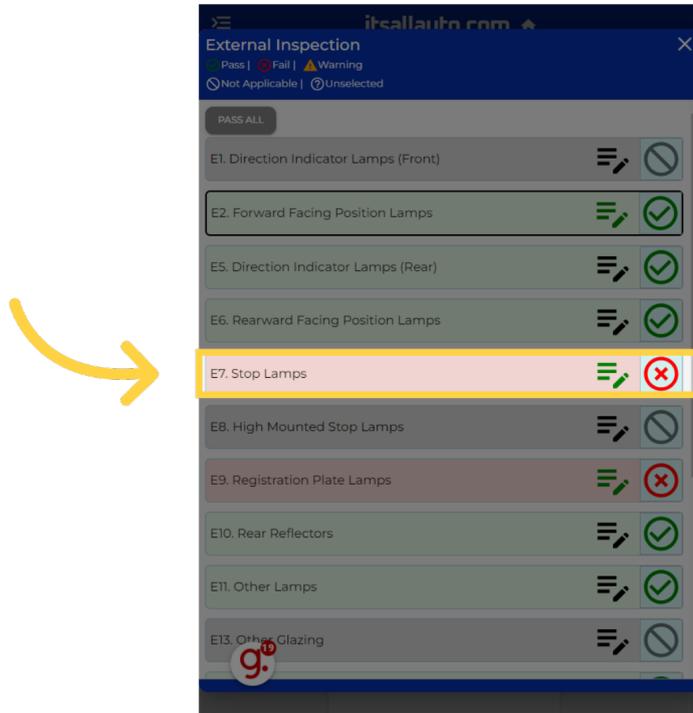

09 Click "Mark Complete"

Now that you have passed that item, you can now mark this item as complete.

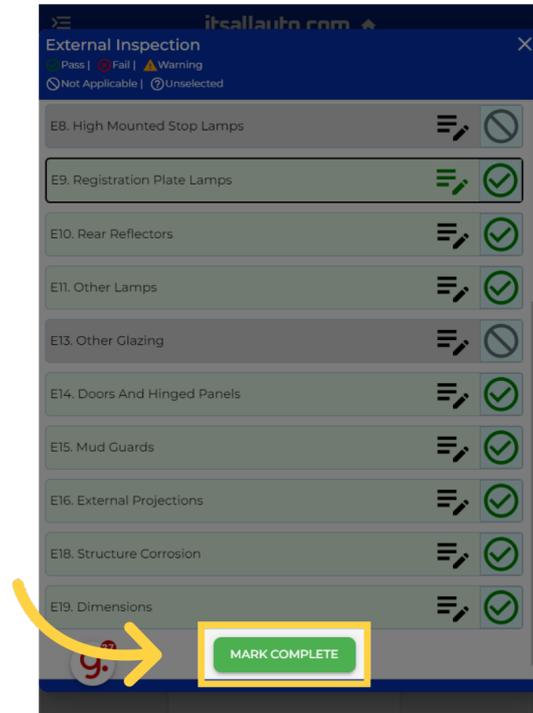

10 Click "E7. Stop Lamps"

Repeat the step for other items you want to now pass.

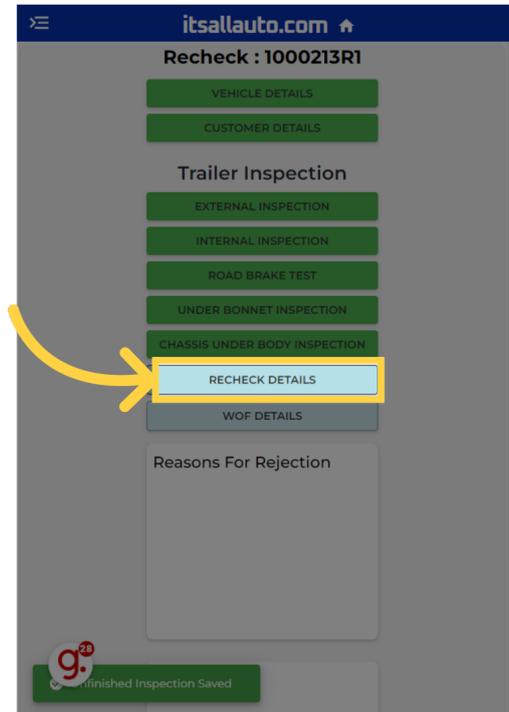

11 Click "Mark Complete"

Once done you can now mark the section complete.

12 Click "Recheck Details"

Once you pass all items and have marked all the sections complete you will have all sections as green and you can now enter the Recheck details.

13 Click "Odometer (KM) *"

You can see the Recheck result, in this case it has now passed. Fill out any remaining fields required such as the current Odometer reading. You can choose between kilometers or miles

The screenshot displays the 'Recheck Inspection Details' form on the itsallauto.com mobile application. The form is titled 'Recheck : 1000213R1' and includes buttons for 'VEHICLE DETAILS' and 'CUSTOMER DETAILS'. The 'Inspection Result' is 'Passed'. The 'Recheck Date' is '14/10/2024'. The 'Odometer (KM) *' field is highlighted with a red border, and the 'KM' unit is selected. The 'Recheck Inspector Signature' is 'Glenn Thorley' and the 'Inspector Authority Number' is 'Ct1234'. A 'MARK COMPLETE' button is visible at the bottom of the form. The background shows a dark grey interface with a 'g.' logo and a 'Comments' section.

14 Click "Mark Complete"

Once all fields are filled in you can mark the inspection or task as completed.

20 Click "Submit Recheck"

You will need to scroll to the bottom of the screen to see the button shown. Any comments you have added during the Warrant of Fitness process will show up in the Comments Box. You can now Submit the Recheck. You will now be shown a PDF of the WOF sheet that you can view, print or email to your customer as needed.

21 Warrant of Fitness Checksheet

Your Warrant of Fitness Checksheet will have a unique ID number. If you are using a smart phone you will be able to move the Check Sheet on your screen to see all of it. If you open on an office or reception computer then it will show the full Warrant of Fitness Check Sheet due to the bigger screen area. You can now email or print this out for your customer.

You can also create an instant repair estimate of the Warrant of Fitness Failures (if the Recheck failed) and Warrant of Fitness Comments using the free trial of the Estimator system.

The screenshot shows the mobile app interface for itsallauto.com. At the top, the status bar displays the time 13:41, various notification icons (Uber, VPN, N, Bluetooth, Wi-Fi, VoLTE), and a battery level of 77%. The app header features a hamburger menu icon, the logo 'itsallauto.com', and a home icon. The main content area is divided into two sections: 'Warrant of Fitness Checksheet' with ID: 1000206R1, and 'Instant WOF Repair Estimates' with the itsallauto.com logo. Below these are two tables: 'Inspecting Company Details' and 'Under Bonnet Inspection'.
