

# Taking photos

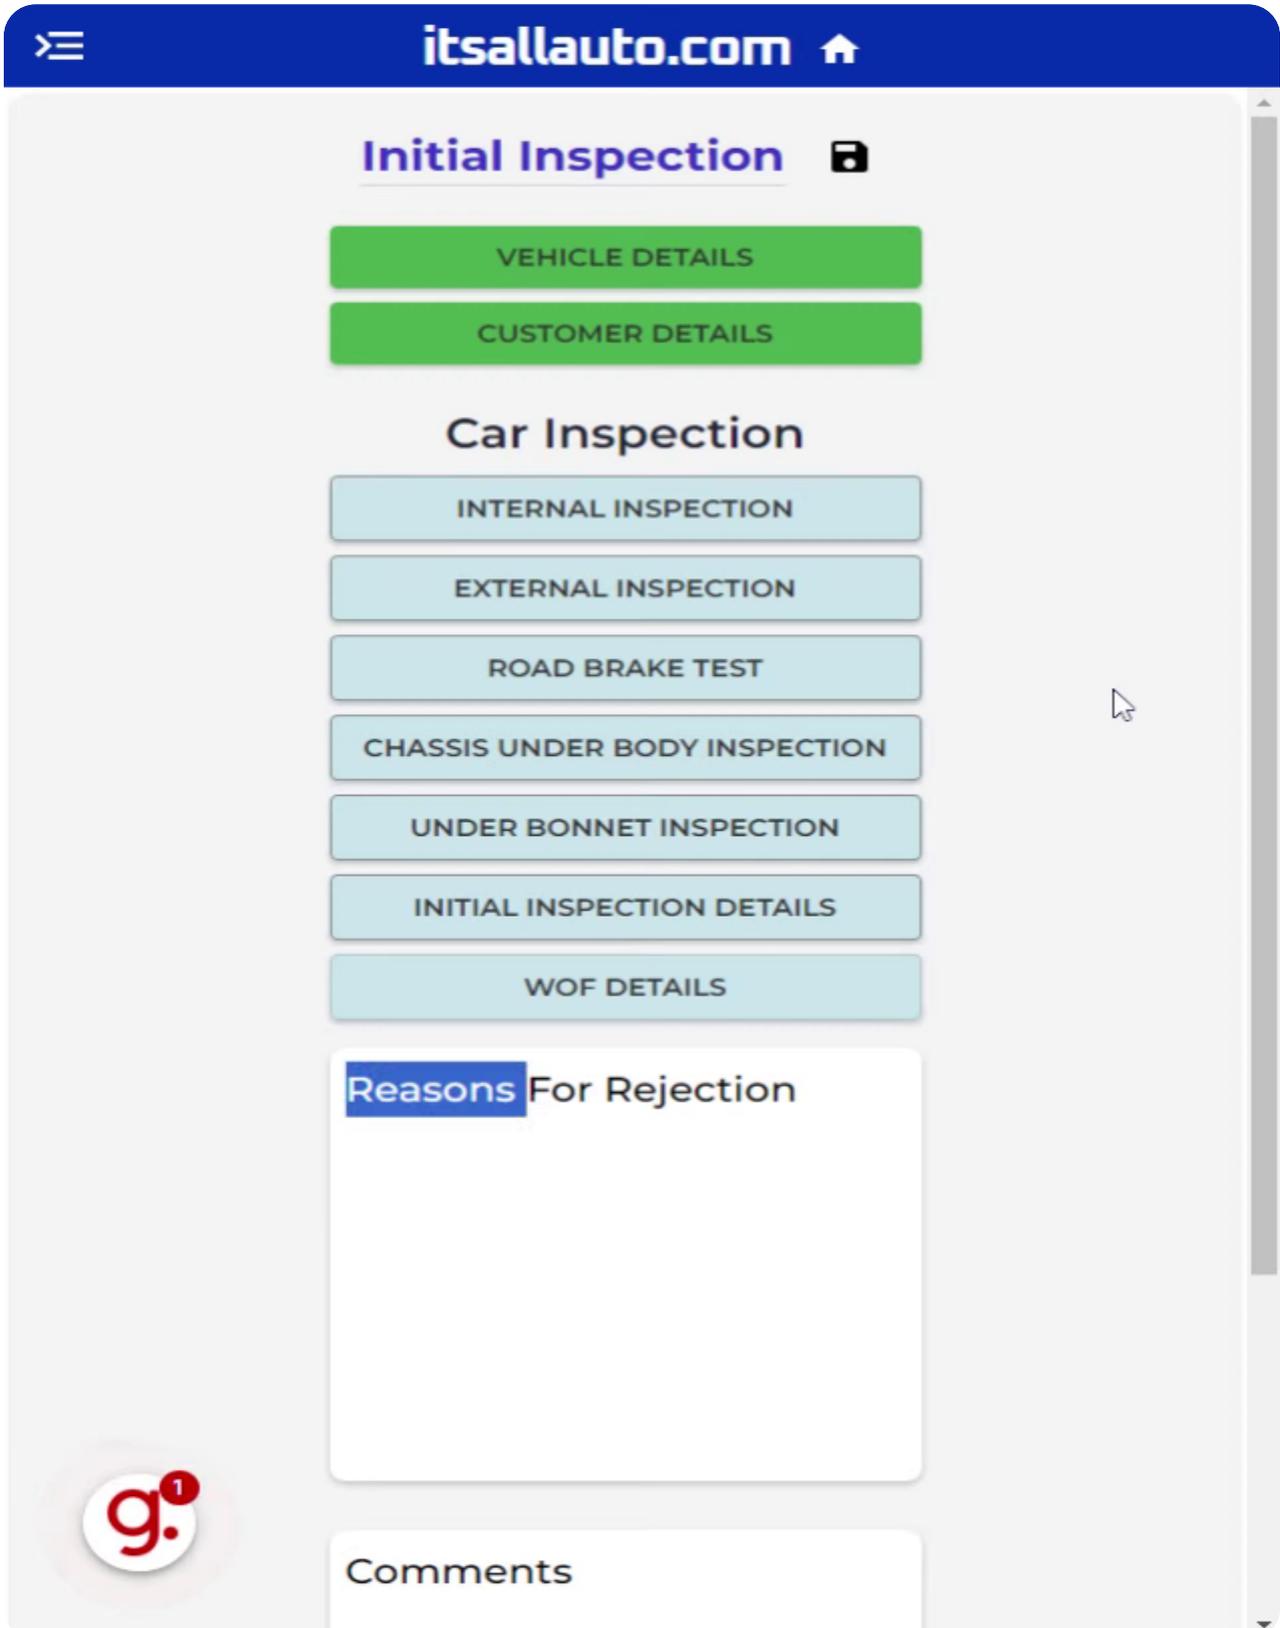

Powered by [guidde](#)

This guide provides instructions on how to add photos during an inspection.

## 01 Introduction

Open the inspection section you wish to work on.

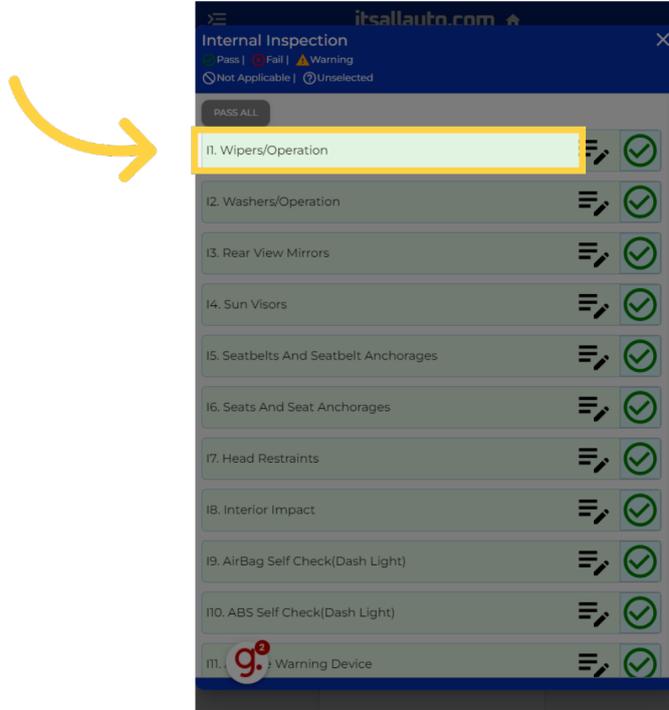

The screenshot displays the 'Initial Inspection' page on the itsallauto.com website. The page features a blue header with the site name and a home icon. Below the header, the 'Initial Inspection' title is followed by a save icon. Two green buttons, 'VEHICLE DETAILS' and 'CUSTOMER DETAILS', are stacked vertically. The 'Car Inspection' section contains a vertical list of light blue buttons: 'INTERNAL INSPECTION', 'EXTERNAL INSPECTION', 'ROAD BRAKE TEST', 'CHASSIS UNDER BODY INSPECTION', 'UNDER BONNET INSPECTION', 'INITIAL INSPECTION DETAILS', and 'WOF DETAILS'. A white box titled 'Reasons For Rejection' is positioned below these buttons. In the bottom left corner, there is a circular logo with a red 'g.' and a small red '1' above it. A 'Comments' section is partially visible at the bottom of the page.

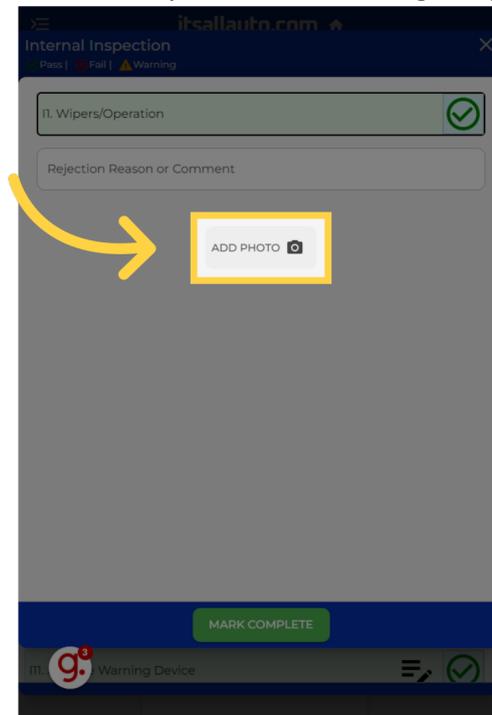

## 02 Click "I1. Wipers/Operation"

Now open a inspection Item you wish to add a photo to.

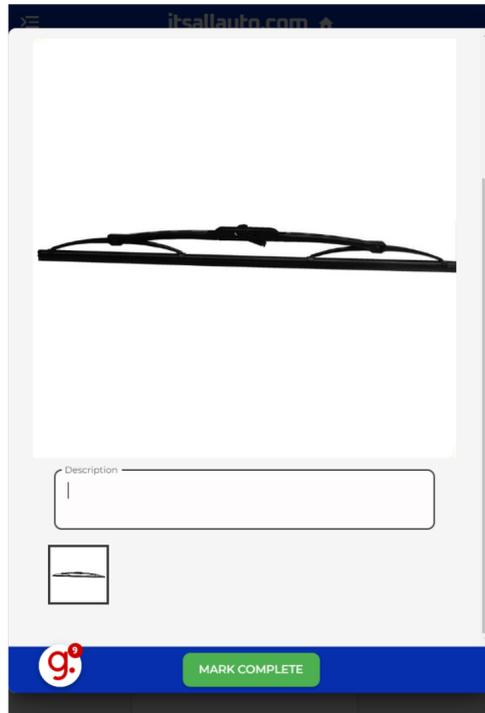

### 03 Click "Add Photo"

Now click on the add photo button. Then proceed with taking the photo.

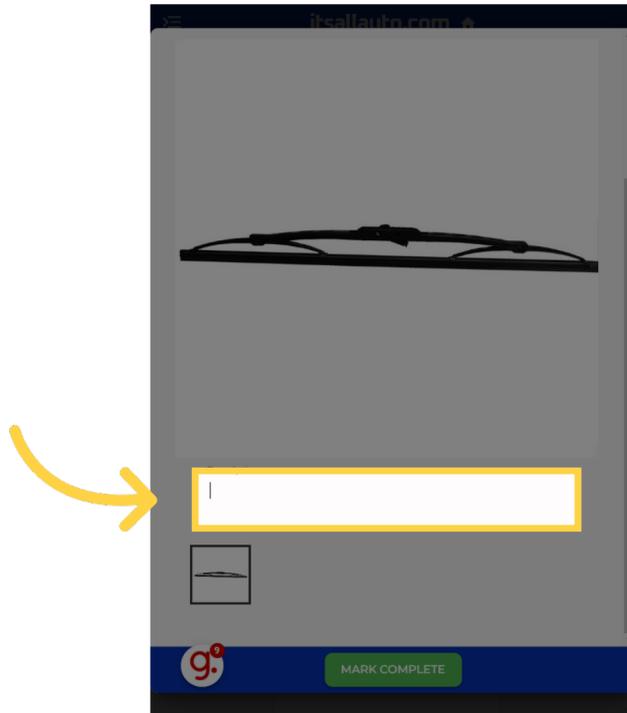

## 04 Click " "

You can now see the added photo.

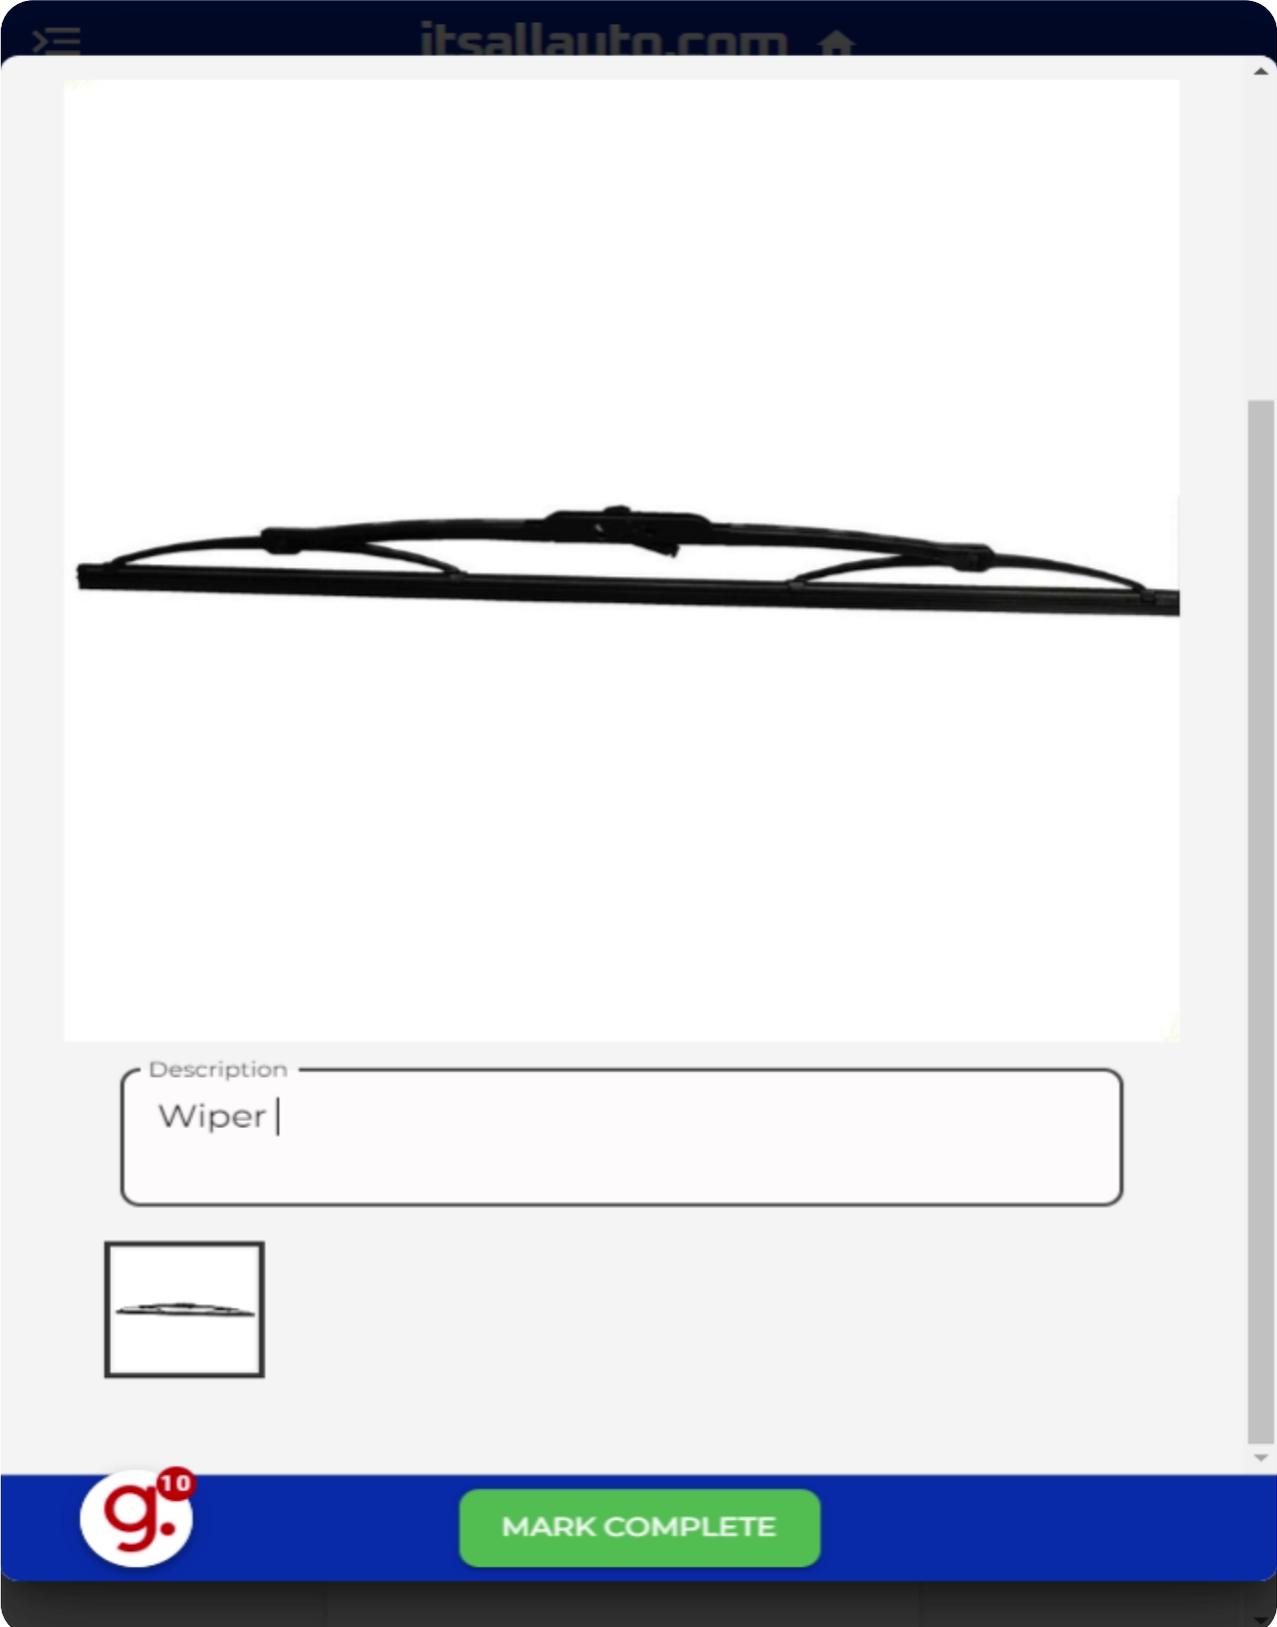

## 05 Click " "

You can enter a description of the image here.

06 Fill " Wiper worn out needs replacing "

Enter " Wiper worn out needs replacing " in the provided field

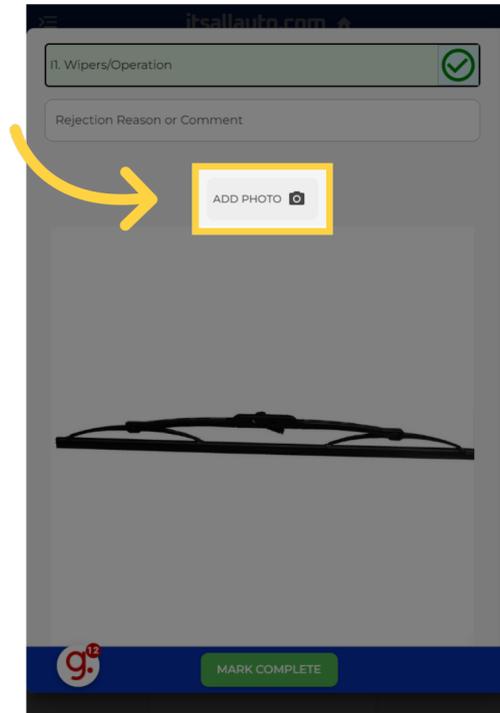

The screenshot shows a mobile application interface for 'itsallauto.com'. At the top, there is a dark blue header with a hamburger menu icon on the left and the website name 'itsallauto.com' with an upward arrow on the right. Below the header is a large white image area containing a black wiper blade. Underneath the image is a rounded rectangular input field with the label 'Description' and the text 'Wiper |'. To the left of the input field is a small square icon containing a simplified drawing of a wiper blade. At the bottom of the screen is a dark blue footer containing a circular logo with the number '9.10' and a green button with the text 'MARK COMPLETE'.

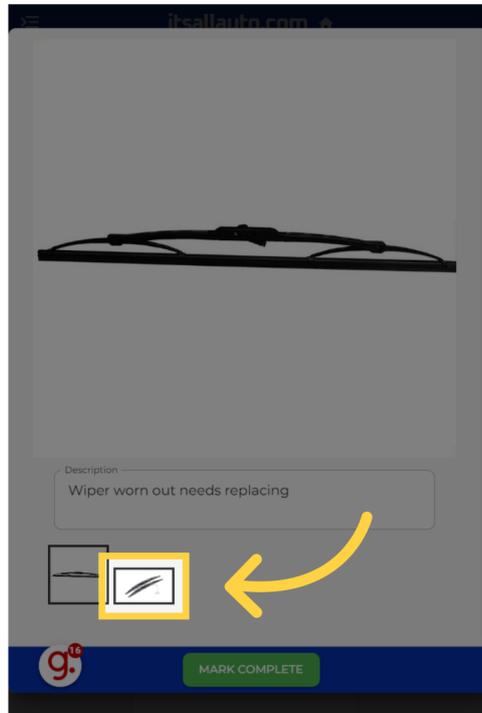

## 07 Click "Add Photo"

You can add multiple photos to a inspection item.

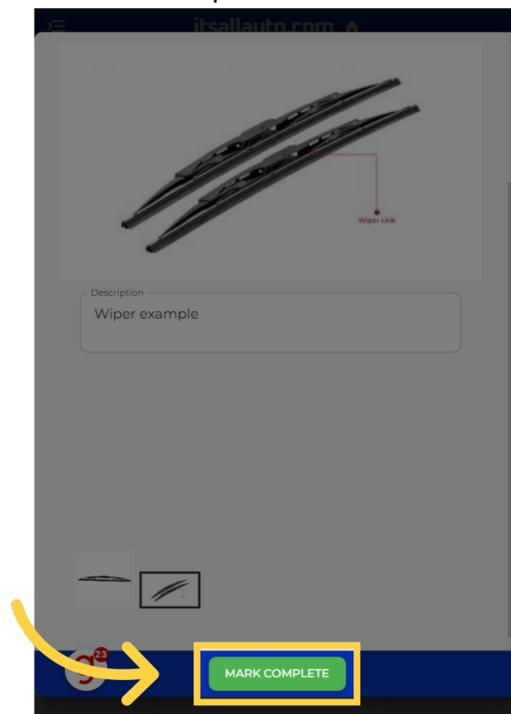

## 08 Click here

You can now see the two images here and can toggle between them by clicking these.

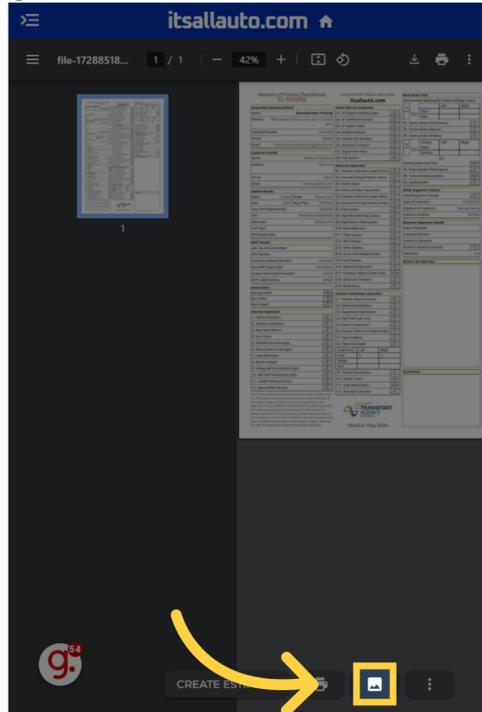

## 09 Click "Mark Complete"

You can now mark this inspection item complete.

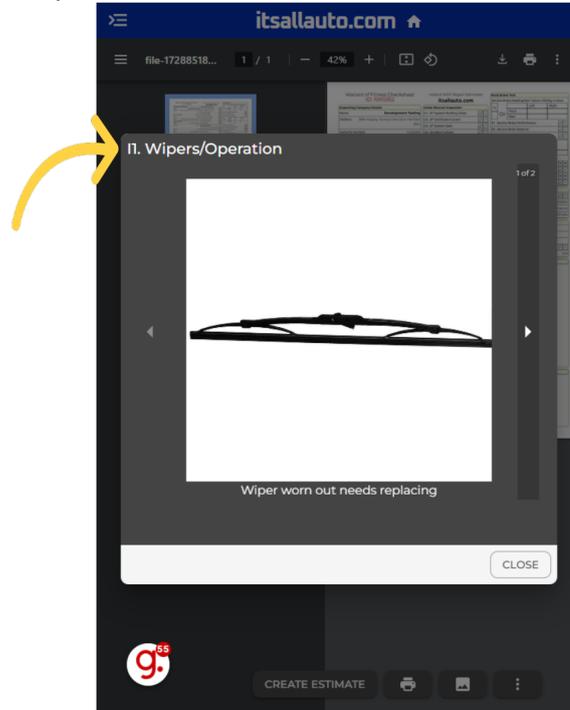

## 10 Click here

Once the inspection has been submitted and you are on the Warrant of fitness PDF, you can view the images by clicking the image icon button seen here.

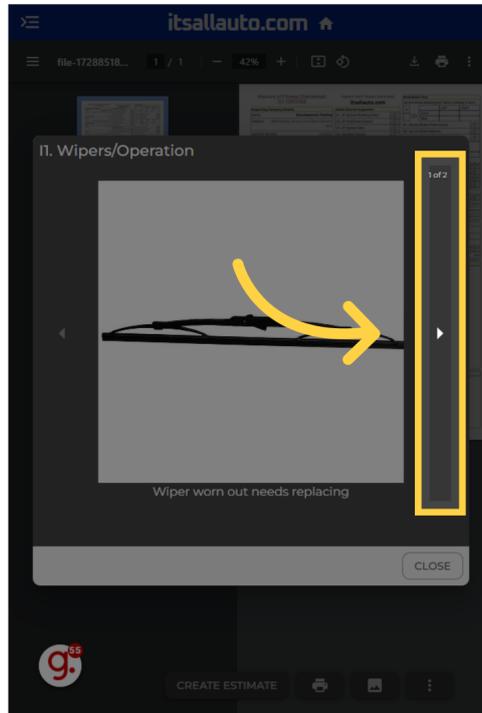

## 11 Click here

You can see name of the inspection item the photo is related to up the top left. And the description you wrote underneath the photo.

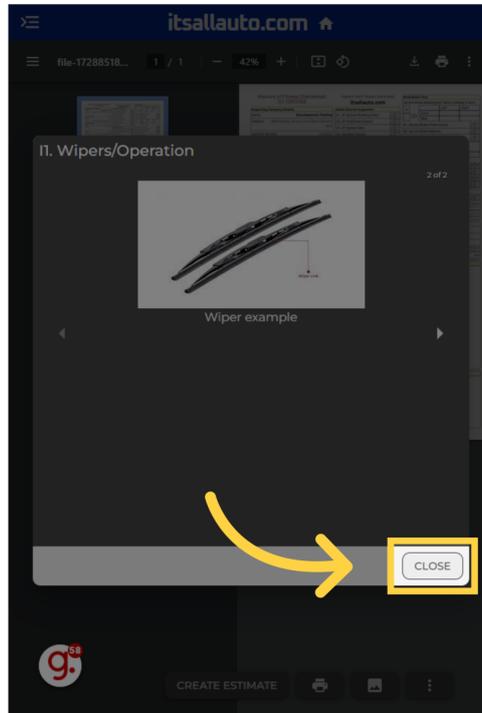

## 12 Click here

You can scroll through the photos using the arrow keys on the left and right of the photos.

## 13 Click "Close"

You can now close the photo viewer.

Thank you for watching. If you wish to contact us you can email us at [admin@itsallauto.com](mailto:admin@itsallauto.com) , or phone 07 595 0032
